### \*PROVINCIAL FESTIVAL\*

1. This year, there will not be any provincial classes held during the 2023 Greater Moncton Music Festival.
2. The adjudicators will have the **right** to recommend the competitors of **their** choice in each category.
3. Please ensure that your students are performing the required repertoire for the Provincial festival in case they are recommended by the adjudicator.
4. Please consult the provincial syllabus for more details.

### INFORMATION AND GUIDELINES

1. To be eligible for an award, a competitor must perform in:
  - A minimum of two solo classes for junior competitors (14 years and under)
  - A minimum of three solo classes for intermediate competitors (18 years and under)
  - A minimum of four solo classes for senior competitors (30 years and under)
2. To determine the winners, marks will be averaged.
3. Please note that the selection of participants for the galas as well as the provincial festival is the ***sole jurisdiction of the adjudicators***. Winning one or more classes (First place or gold level performance) does not guarantee a prize, or a place in the galas or provincial festival.
4. The recommended performers to the provincial festival must play the piece selected by the adjudicator.
5. All competitors recommended for the Provincial festival are responsible for completing the registration process for Provincials.
6. All cheques received as prizes must be cashed within 6 months.
7. Competitors must hire and pay their own accompanists for all performances, including the gala.
8. All scores used during the festival must be an original copy. It is illegal to reproduce any music score having photocopy rights. Our festival does not permit the use of any reproduced copies. A music score purchased online must be accompanied by an official receipt or the proof that it is part of public domain.
9. All fees are non-refundable and must be paid by etransfer during registration.
10. Memorization is strongly encouraged. Pieces that are memorized will be awarded higher marks than those of similar or equal quality played from scores.
11. All music must be measure-numbered at the beginning on the first bar of each line.

12. All competitions shall be under the management of the Festival Committee of the Greater Moncton Music Festival Inc.
13. The festival committee will answer all questions referring to the rules. Their response will be final and binding.
14. All competitions shall be open to non-professional competitors from the Greater Moncton area, or who study with a teacher in the Greater Moncton area, and to those competitors from South-eastern New Brunswick communities where no local festivals are held. Proof of study may be requested. The Committee reserves the right to deny participation to any applicant who does not meet the criteria of participation in the Greater Moncton Music Festival.
15. A non-professional shall be defined as any person whose principal means of livelihood is not obtained from musical work, even if they from time to time accept remuneration for musical services rendered.
16. In all classes where an age limit is specified, competitors must be that age or younger as of **January 1, 2023**. On each entry form, the exact date and year of birth must be indicated.
17. Competitors must remain in the same category throughout the festival, that is, either age or grade (or years of study where specified). This rule does not apply to concertos, duets, groups, and chamber music.
18. In all classes, title, composer, and exact timing must be clearly indicated on each entry form. Failure to do so renders the entry form unacceptable.
19. The same piece cannot be performed in two different classes.
20. An "Own Choice" selection cannot be a movement of a classical sonata-allegro form or a concerto. (Scarlatti, Soler sonatas, etc., are binary form.)
21. A competitor must not perform the same selection(s) two consecutive years.
22. Competitors must not repeat sections when there is a double bar line except Da Capo. When there is a 1<sup>st</sup> and 2<sup>nd</sup> ending it is at the teacher's discretion. Songs with chorus do not apply and sections of a binary form piece in a concert group can be repeated.
23. There is no limit to the number of classes a competitor can enter in his or her age or grade category.

24. Costumes are recommended for Musical Theatre classes.
25. It is the responsibility of all teachers to check the current RCM or Conservatory Canada syllabus when selecting pieces. If you do not have a current edition, they are available online.
