NEW for 2023!!

Format in 2023

The 2023 NB Provincial Music Festival Finals is being planned as an in-person event on the campus of Mount Allison University in Sackville. If necessary to comply with public health or government restrictions at that time, we will pivot to a virtual event.

Composition Classes at the NB Provincial Music Festival

In 2023, provincial composition classes will be offered as an in-person event on the campus of Mount Allison University. Students are invited to perform their composition in person or have a recording shown publicly. Adjudication workshops will be held following the performances, as in other classes.

New Junior level classes at the FCMF National Music Festival

The FCMF National Music Festival's Non-Competitive Education Stream for junior-level students offers classes available in voice, piano, strings, guitar, woodwinds, brass, percussion, and musical theatre. This is a virtual opportunity. Participants get adjudication comments, an adjudication workshop/masterclass, and receive a certificate with a seal indicating the standard of performance achieved. Please see class descriptions for full details.

Adjudicators **at each New Brunswick local festival** may recommend **one** junior-level student per discipline **directly** to the virtual FCMF National Non-Competitive Education Stream [NCES]. Adjudicators at New Brunswick local festivals may submit their top provincial recommendation in each class to the national office for the NCES. A recommended student not able to attend the NB Provincial Music Festival may still submit a recording to the national NCES class.

Choral Classes

The FCMF National Music Festival is offering a revised selection of choral classes, including the addition of a Glee Choir, in their recorded competition. Please see pages 20-21 for full details. New for 2023 is a Conductor Roundtable for conductors of choirs, bands, and orchestras.

Ungraded Repertoire

Local festival adjudicators will be responsible for determining if ungraded works fall within the parameters of the class requirements. All other technical questions such as whether a musical is from a staged musical, memorization, appropriateness of spoken introductions, overall suitability of selections for the student, artistic interpretation, etc. would remain at the discretion of the provincial/national adjudicators in those respective competitions.

2023 NEW BRUNSWICK PROVINCIAL MUSIC FESTIVAL FINALS SYLLABUS

IMPORTANT!

Local festival administrators should advise teachers and students to check the local, provincial, and national syllabi carefully when choosing music for festival entries. Administrators should also ensure their adjudicators are aware of class requirements when recommending students to the Provincial Music Festival Finals.

Please note: The above information is provided to assist Competitors in having a positive experience at the Provincial Music Festival Finals. Breach of the above expectations will not necessarily result in disqualification except in extreme cases.

ELIGIBILITY

Local festivals may determine who represents them at the Provincial Music Festival Finals in one of two ways:

1. The Local Festival can add the provincial classes to its syllabus and students enter those classes if they are interested in being eligible for the Provincial Music Festival Finals. The local adjudicator would determine which student(s) should represent the festival in each class.
2. The local festival adjudicator could choose a student or students from the appropriate grade and/or age levels for each class, making sure they have the appropriate repertoire to meet the requirements of the class they are being recommended for.

A sufficiently high standard of performance, in addition to a minimum mark of 85%, is required at the local festival for a recommendation to the New Brunswick Provincial Music Festival Finals.

To be eligible to advance to the FCMF National Music Festival from the New Brunswick Provincial Music Festival Finals, the Competitor(s) must be residing in New Brunswick or studying in New Brunswick.

A local festival may send **TWO** competitors in each of the Provincial Music Festival Finals classes. Local festivals are encouraged to

have their adjudicator name one or more alternate competitors and complete the necessary paperwork, in case the first-choice competitors are unable to attend for any reason.

In disciplines with age requirements, the competitor's age will be determined as of December 31 prior to the Provincial Festival. Local festivals must obtain proof of age if requested.

Participation is limited to non-professional musicians. A non-professional musician is defined as a person whose principal means of livelihood are not obtained from the performance of music in the particular category in which he or she is competing. This stipulation does not, however, preclude such a person from having occasionally received remuneration for musical services rendered, even in the area in which he or she is competing.

Competitors may only be recommended to the Provincial Music Festival Finals from ONE local festival per discipline. Each competitor must accept, or decline, a recommendation from a local festival within 48 hours.

Competitors are eligible to play within the same discipline on different instruments and/or different levels. Competitors may play two recommended instruments within the same entry. For example, competitor A may be recommended as a Junior competitor for clarinet, and an Intermediate competitor for flute, or a Junior competitor with both instruments.

An entry fee is non-refundable unless the entry is declined by the NBFMF. Once an entry has been accepted, no changes to the repertoire will be allowed unless required by the provincial office.

Alternates

Adjudicators may recommend alternates in any class if the standard of performance is met. If a registered competitor is unable to participate, the named alternate can replace the competitor. As much notice as possible should be given to the alternate and NBFMF Office, but replacements will be accepted up until a half hour before the beginning of the class providing all requirements of original music, accompanist, etc. can be met.

Entry fees are non-refundable unless an alternate has been named and registered. The original entry fee, less a \$25 administration fee, will be reimbursed to the originally registered participant. The alternate will be required to pay the entry fee in full prior to participation.

For Chamber groups, if a recommended competitor from the Local Festival level is unable to participate at the Provincial level, they can be replaced by an alternate. There is a maximum of one substitution permitted for each Chamber group.

REPertoire

The minimum repertoire requirements to be performed at the Provincial Music Festival Finals, as outlined in the Provincial Syllabus, must have been heard by the recommending adjudicator at the Local Festival. This may be in a specifically designated Provincial Class or through a combination of performances in classes at the Local Festival. Competitors may add additional movements of their multi-movement works, and/or additional selections within the maximum time.

Local festival adjudicators are to indicate the pieces they are recommending to the provincial level on their signed recommendation forms.

Local festivals are to submit a digital copy of their program to the provincial office with their provincial recommendations.

A Concerto or Concerted Work is defined as any composition written for a solo instrument with orchestral accompaniment.

Sonatas, Sonatas, and Concertos can be from any musical time period if they have been graded, as per syllabus requirements. A one-movement Sonata or Sonatina meets the requirements for Junior and Intermediate levels.

A selection is a composition or song cycle that is meant to be one body of work as indicated by the composer. Competitors may choose to perform partial or complete works based on syllabus requirements and time restrictions. A second selection cannot be another movement or song from the same work.

In disciplines with graded repertoire requirements, competitors must indicate on their entry form the syllabus from which they determined the level of difficulty of their repertoire. Syllabi accepted as references for the Provincial Music Festival are the Royal Conservatory of Music [RCM], Conservatory Canada [CC], Vincent D'Indy [VD] and l'École préparatoire de musique de l'Université de Moncton [ÉPUM]. Pieces from any of these four syllabi are accepted when listed by full title, and Opus number, where applicable. Due to the inherent differences in grading systems, the equivalent grades accepted for each level are listed in each

discipline.

In order to encourage the use of new music and preserve objectivity, we will also accept letters of grading from the following places for pieces not listed in any of the above sources. For details on how to proceed with this option, contact as indicated:

- the Royal Conservatory of Music - www.rcmexaminations.org
- l'École préparatoire de musique de l'Université de Moncton - richard.boulanger@umoncton.ca
- Mount Allison University – Dr. Stephen Runge srunge@mta.ca

Local festival adjudicators will be responsible for determining if ungraded works fall within the parameters of the class requirements. All other technical questions such as whether a musical is from a staged musical, memorization, appropriateness of spoken introductions, overall suitability of selections for the student, artistic interpretation, etc. would remain at the discretion of the provincial/national adjudicators in those respective competitions.

Advanced competitors are allowed to make brief introductory remarks for some, or all, of their selections performed in competition, if desired. Introductory remarks are included in their overall performance time. They are not included in determining placements.

Ensemble – any combination of three or more instruments and/or voices, including orchestral and choral scores. Please indicate instruments/voices on your score.

Each entry will still need to be submitted as part of the registration process. Each entry consists of a printed score [PDF] and a digital recording [live or midi] of the composition [MP3 or MP4], submitted electronically. The performance does not have to be by the composer.

Each entry is assumed to be the original work of the individual whose name appears on the entry form attached to the manuscript. Any infraction of this regulation would result in the disqualification of the entry.

All rights to his/her original work will be retained by the competitor; however, by entering the competition you agree that your composition may be published, recorded, and available to be downloaded for public use from the NBFMF and FCMF websites, or employed by the NBFMF and FCMF for publicity purposes after consultation with and agreement of the competitor.

Manuscripts printed by computers are encouraged. Handwritten manuscripts should be neat and legibly written in black ink, in regulation manuscript size, including all necessary details of dynamics, editing, and tempo, with the first measure of each line numbered. Please retain the original copy of your submitted work.
